

LORA BAY

2015 Sponsored Junior Membership

Golf is a game of a lifetime and it's never too early to start. We at Lora Bay would like to give the opportunity to a select number of junior candidates, aged 18 and under (as of July 1st) to become a junior member at Lora Bay.

Lora Bay and its membership is a family, however we understand that young families may not be able to join in such a capacity for various reasons. This program allows you to enroll your child in a membership that will allow them to grow their personal skills by meeting new people, gain self-confidence by developing a new skill, work toward possible scholarship opportunities the game of golf offers and have access to a positive and safe environment on a daily basis.

Lora Bay will be meeting with the candidates and selecting up to a maximum of 12 juniors per season for this program. The selected candidates will have access to the driving range, sand green, putting green and Championship Golf Course, Monday thru Friday.

Selected candidates will be able to stay enrolled in the membership for a maximum of 3 consecutive years, or until they reach the age of 19. Sponsored junior families will be billed membership fees of only \$900 per season (May to Oct). For the cost of 2 junior green fees per month, you can give your child a membership for the entire season!

To submit your application for this program please fill out the below information and return to Nate Clingersmith, Head Golf Professional at nclingersmith@lorabaygolf.com
